Motion: By Trustee Edward A. Hazlett

We the Trustees vote to send the following letter to the Contractor and Architect:
You are hereby notified that the Trustees of the Library, having viewed the present status of the work and existing condition of the Library as a result of delays from construction, declare the work of the Contractor to be unsatisfactory.

The Trustees therefore order and direct the Contractor to provide an adequate work force to accomplish the following:

1. To begin work immediately to repair and replace in working order the toilets that were removed from the basement of the Library, said work to be completely finished within seven (7) days of the receipt of this notice.
2. The Contractor is ordered and directed to provide an adequate work force to restore the front entrance to the Library so as to be available for the Public and Fire Department.
